Message from the President

Dear Fellow Rotarians,

Well autumn is now upon us, I hope that you enjoyed the extra hour that you had over the weekend. I will say that it is nice to get up when the sun is rising (although I know that this too will be short lived as we head into the winter season).

I am sitting here watching the news and the arrival of the Royals into Australia and being transferred onto the Royal NZ Air Force flight to Wellington.

I emailed out an invitation to the District 9820 training weekend for committee leaders. It is free training and I recommend you to attend as they provide a lot of information to help you in your role.

It was great to see the community of Tyabb come together last weekend for a memorial for Luke, I hope that this new level of community support continues and that it will be something good that comes out from something tragic.

Tonight we will be having a Board meeting after our club meeting.

Look forward to seeing you tonight.

Kim

Important Dates:

12th - 13th Training @ Traralgon

1st-4th June - RI Conference

Last weeks update

Date 31st March, 2014.

Apologies:, Don, Marcia, Eric, Mandy, Paddy

Chairperson:- Jeff

Acting Secretary:

Malcolm- Letters received -

Pig and Whistle Tavern,

Rotary adventure, medic - alert.

President Kim:-

Requested a Board meeting for Next Monday.

New District Governor: - Charlie Speirs will be visiting on 28th July.

Mark:-

Presented a report showing a list of suitable Internet Host providers and the relative benefits of each for information. Heather will contact the 3 clubs using Big Daddy for feedback. Mark will arrange domain registry key and re-registration from SLV to another auDA registered authority, ready for the next step in resurrecting the website.

Mark also spoke about a social night at his place, Mark is doing the Ride to Conquer Cancer again and is seeking sponsorship to raise the \$2500.00 target. Mark to speak with Allan to find a suitable night.

Doug:-Spoke on a desire to participate in a clean-up day focusing on King's creek. Not as a rotary project but as a clean-up Australia day exercise.

Jeff: -

Introduced our guest speakers from the Archery Club Peter and Dawn Nelson.

Peter and Dawn introduced some members of the club to archery earlier in the year via a social night. This proves that archery is a sport that is for all ages and levels of skills. The club is being built from the ground up. Actively training people interested. Although it has sharp arrows it is a very safe sport. It is a sport that fathers and sons can participate standing side by side which is unique in a way. It is not a spectator sport. In fact it is quite boring to watch. It's all about doing. Jeff explained that Bowens was assisting by supplying materials to build targets and that the Australian National Championships will be held at the club in October.

The Championships will run from 19th to 22nd October which is mid-week but they expect a big number of entries. The organisation will include paying judges and providing lots of targets.

Last weeks update

Training in full swing for the 2014 National Championships.

Unfortunately Archery is not included in 2014 or 2018 Commonwealth Games!

Rotary International President's Monthly Message

Ron D. Burton
R.I. President
2013-14

APRIL 2014

Like attending a Rotary club meeting, reading Rotary magazines is an essential part of the shared experience of being a Rotarian. When you pick up a Rotary publication, whether it's Rotary Down Under in Australia and New Zealand, or The Rotary-No-Tomo in Japan, you'll find that every single one does just what it's meant to do: It informs, and it inspires. It keeps you up to date with Rotary news, brings you new ideas for your Rotary service, and tells stories that are relevant and meaningful to you.

To me, these publications around the world are a tangible representation of Rotary's greatest strength: that each club is a local, community-based entity, engaged in a truly global network. This organization is incredibly large and diverse, and as much as we all have in common in Rotary, we are not a place where one size fits all. Our expectations of a magazine, both culturally and linguistically, are naturally going to be different. With our regional publications, Rotarians in Bulgaria can find out what's going on in Rotary in Bulgaria, and what's going on elsewhere in the Rotary world, along with the latest news from Evanston. Because each one of our Rotary publications belongs to the family of Rotary magazines – each one is, like every Rotary club, both fully local and fully part of our international identity.

One of the greatest privileges of being RI president is the ability to speak directly, every month, to every one of our 1.2 million Rotarians. It's awe-inspiring to me, as I write this, to think of all of you, sitting down in your living rooms or at the breakfast table or maybe on the train to work, reading these words, and then turning the page to find out what's new in Rotary. And overwhelmingly, that is exactly what each of you does. Not just because your Rotary magazine turns up in the mailbox, or because you feel you have to – but because Rotary magazines are good magazines. I hope that when you pick up your publication – whichever one you're reading right now – you get the same feeling of pride, and ambition, that I do.

Rotary magazines remind us that as Rotarians, we are all part of something larger than ourselves. They show us just how much we can achieve through Rotary. Through them, we see what our Foundation dollars do, we see what our fellow Rotarians are doing, and we are inspired to Engage Rotary, Change Lives even more.

District 9820 News

District Governor: Tim Moore
2013 - 14

Our conference has been and gone, thank you to all those Rotarians and partners that supported our efforts and gave such positive comments and feedback on the recent conference in Bendigo, it would not have been possible if not for the tireless efforts of our conference committee and the Rotary Club of Berwick. I thank all of you for your great work.

April is Magazine Month. Read your Rotary magazine online, on your smartphone or tablet device. The digital edition includes loads of interactive functionality such as video and audio, as well as fully functional hyperlinks. You can share stories online with your colleagues, potential new members, friends and family. The new free Rotary Down Under APP is available in the Apple App Store and Google Play store.

Enjoy your month of Rotary service.

Guest speaker Simon McKeon AO,

We are honoured to have Simon as a guest speaker on 13th May.

Simon will give a talk titled 'My Journey'. This promises to be a highlight of our year. Simon will tell us about his association with the Southern Peninsula, his business and charity interests, time as Australian of the Year and the proposed Arthur's Seat chairlift.

For those of you not familiar with the life of this remarkable man here are a few facts about his journey so far.

Named Australian of the Year 2011, Simon McKeon, born in 1955, is a renowned investment banker and record-breaking yachtsman. However, it is his patronage of many Australian and international charities that has earned him the greatest admiration.

In 1994, he was enjoying a high-flying corporate career when he decided he wanted to use his time to give back to the community. So he transitioned into a part-time role as Executive Chairman of Macquarie Group's Melbourne office, enabling him to support a range of causes and organisations, including joining the board of World Vision Australia.

He has previously served as founding chairman of MS Research Australia, founding president of the Federal Government's Takeover Panel and as Director of VisionFund which is World Vision International's microfinance arm. He remains involved with the Global Poverty Project and Red Dust Role Models, which work with remote Indigenous communities.

Simon is chairman of CSIRO, the incoming chairman of AMP and a Fellow of the Australian Institute of Company Directors.

For most of the last two decades, Simon has held the World Speed Sailing Record together with fellow crewman Tim Daddo.

Simon is the chairman of the organisation planning the new Arthurs Seat Skylift.

We welcome your members, partners and friends to this special evening.
