Message from the President

4th November 2013

Rotarians,

Last week we heard from Ray Martin about Rotary Foundation. Personally I think that it was one of the best presentations that we have had as it was short and sweet but also that Ray gave us plenty of time to ask questions.

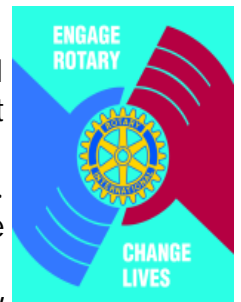

This Monday we have another Rotary Foundation speaker talking about Malaria. I want to thank Don for all the work that he is doing to make sure that we are up to date with the Foundation information.

We also decided to defer our AGM until this Monday so that people have a few extra days to read through the relevant information.

We also decided at the end of the meeting last week to give \$1,600 towards the disaster aid foundation to assist sending aid to the Philippines. I am sure that you will all agree that this is a fantastic way to support not only a Rotary Project but also helping others.

Hope to see you all Monday night.

Yours in Rotary,

Kim

The ride came to Hastings so added a local flavour to the event. This was reported in the last minutes but was not discussed at that meeting but actually at the Port Dinner.

Ray Martin spoke about the work of the Rotary Foundation. The figures are amazing. That 11.1 million under five year olds die each year. Polio is a good news story with the number of cases reported is now fewer than 300 but a new outbreak in Somalia is a concern. Rotary Foundation is all about a hand up.
