Message from the President

Dear Fellow Rotarians,

Well my year as President has begun, I do hope you all had a great time at the Changeover and enjoyed your meal, they certainly provided us with some lovely food.

I do believe one of the best tasks a new President can perform is to present a member with a Paul Harris Fellow. Congratulations again Alan, well deserved.

Our Fundraising projects continue and the Footy finals are looming, please consider how many Sundays you can support the club with your attendance, I realise at times it is not the most pleasant of tasks we do for funds, but it does bring in some good income, last year we received \$3,000.00

On August 24 there is an Avenue of Service Seminar at Berwick, this is a good opportunity for members to learn more about the importance of this large area of Rotary International.

This week our speakers are Mark and Linda giving us an overview of the recent Conference in Sydney. This will be followed by a Board meeting.

Have a good weekend, keep warm, and see you Monday night.

PS. wasn't the caramel ice-cream just the best!

Our newest Paul Harris Fellow

Next week: Rotary Convention Review

Notes from Meeting

Date 30th June, 2014.

Apologies:

Roy, Marcia, Mandy, Mike, Jim, Alan, Doug

President Kim:

Opened the Club Night and organised voting for Rotarian of the Year.

Paddy: Incoming Mail

Ageing well expo to be held 8th Oct New Baptist Church

Letter from Portsea Camp given to Jeff.

Mornington Junior Peninsula Football finals starting August 24th will be held at Red hill this year. Good thing will be just one gate to man and we usually make about \$3,000.

Don: Met with Roy Briggs Vice President of Hastings Senior Citizens to discuss a defibrillator to be used for their club at a cost of \$2,500. Don to find out more about the needs and type of machine.

Don also had a letter from the Shire regarding the youth Boxing program which is starting on the 22nd July a 20 week program. Request a speaker from Rotary to talk at one of these sessions as a mentor.

Malcolm: Bowel scan finished with 124 kits which is a 35% growth at a cost of \$1089 for advertising.

Jeff: Jeff and Bill attended the launch of the WSC Community Café. Jeff was disappointed that as Bowens were a major supporter of the project students were invited to the local Bowens and had not appeared to be interested or respectful of the opportunity to see first-hand how the materials are sourced for the project.

Jeff spoke of the linking schools and early year's project he has been involved with since its inception in 2006. Initially set up from the grant from Murdoch Foundation, Hastings program is still going with assistance from Good Sheppard and Bennelong foundation. The reading for Life program has been specifically targeted by a donation from Coast real estate. 50 children received certificates. Jeff has concerns about the future of these programs and also the whole literacy and support programs for the Wallaroo Primary school. The enrolments are down as parents choose to send their children to other schools.

Jeff also attended a program at Hastings Primary where things are brighter with enrolments always around 270. A special day where pupils were in charge for the day attended by the Minister for Education and Greg Hunt was a more positive experience.

**Special guest 14th July 2014:
Assistant District Governor, Tyrell McGeever**

GARY C.K. HUANG

PRESIDENT 2014-15

JULY 2014

I find many traditional Chinese values reflected in Rotary: values of service and responsibility, of respect for family and for others. Sometimes I call Confucius the world's first Rotarian, because even though he died 2,500 years before Rotary was founded, his ideas are very much Rotary ideas. And one of the things he said was:

In English, you say, "It is better to light a single candle than to sit and curse the darkness."

I think that one line sums up the way we in Rotary approach the problems of the world. There is so much difficulty. There are so many people who need help. Many people look at this and say, "There is nothing I can do." So they do nothing – and nothing changes.

But this is not the Rotary way. The Rotary way is to light a candle. I light one candle, you light one candle – and so do 1.2 million other Rotarians. Together, we can do so much more than we could ever do alone. Together, we can light up the world.

In 2014-15, I am asking each of you to light your own Rotary candle – and Light Up Rotary together.

There are so many ways to Light Up Rotary. I hope many of you will choose to host a Rotary Day, to show your community what Rotary is and what we do. I hope you will involve your Rotaract and Interact clubs in your service, to bring the new generation of the Rotary family closer to Rotary membership. And I hope you will keep Rotary strong by inviting new members into Rotary – including your own spouses and family.

Perhaps the most important thing we can do to Light Up Rotary together is to finish the job we've been working on for more than a quarter of a century: the eradication of polio. We are so close to our goal. But we will get there only if we keep up the fight, keep up the momentum, and close the funding gap for the polio endgame plan.

Light Up Rotary together is our theme for this year, but it is more than just a theme. It is how we in Rotary see the world and our role in it. We believe that no one should sit alone in the darkness. Instead, we can come together, all 1.2 million of us, to Light Up Rotary. This is our goal – and my challenge to you.
