## Message from the President

When we last met we were at the Hastings Bowling club, to honour Gordon Gray on the anniversary of his passing 12 months ago, thanks for those who attended, Gordon was an important member of both clubs and I think we did him proud.

Our commitment to the Archibald prize has now ended and a job well done by those who made themselves available. A very special thanks to those who filled more than one shift and represented the club admirably. The Sunday crew copped the bad weather, having experienced three seasons in one morning, I believe the word drenched was mentioned. Thanks again, you all did a great job.

November is Foundation month, therefore our speaker this week will be bringing us up to date on all things Foundation. The Foundation is a large part of Rotary International and it is good to keep informed on its important work.

Apologies to Linda at  
secretary@rotaryhastings.org.au

Take care and hope to see you Monday

## ROTARIANS HELP COMMUNITY CHARITIES

Members from eight peninsula Rotary Clubs that make up the 'Nepean cluster' have joined forces to help raise funds for local charities by collecting donations and undertaking parking duties for the Archibald Prize exhibition at Mornington Peninsula Regional Gallery.

Thanks to the Rotary members who volunteered over the past four weeks - hundreds of dollars have already been raised from parking donations, which will be donated to the Mornington Peninsula Charitable Trust.

"Rotarians who have assisted with the parking and fundraising efforts throughout the exhibition have done an outstanding community service and I extend a warm thank you for their efforts in assisting to raise funds for those in need on the peninsula," said Mornington Peninsula Shire Mayor Councillor Antonella Celi.

The Mornington Peninsula Charitable Trust raises funds for local charities, and over the Mayor's 2014 term she has been raising funds to help with food and resources for local people who experience disadvantage and hardship.

Merv Prossor, President of Rotary Dromana, said helping the community is all part of what Rotary does.

"We're here to support and help our community in whatever way we can, and we're proud to support the Regional Gallery as they host this significant exhibition.

"We're always on the look-out for new members who are community-minded, and are keen to volunteer their time with Rotary - so get in contact with us today to make a difference within your local area," he said.

Gary C.K. HUANG

Rotary International President

Happy clap everyone

NOVEMBER 2014

Four months into this year of working to Light Up Rotary, I am more excited about Rotary than ever before. I've been to 22 countries, visited dozens of cities, and met thousands of Rotarians. I've seen amazing projects and been inspired over and over again by the terrific work Rotarians do all over the world. And I've been privileged to be part of all kinds of Rotary events, from club meetings to Rotary institutes, from Rotary Days to Foundation dinners.

Every event is memorable. I feel especially honoured when I am invited to share in club celebrations. To me, taking part in a Rotary club celebration as Rotary International president is like being invited to a family event as an honoured guest. Indeed, Rotary is the biggest family in the world.

You could say that Rotary is built of service: Each project is another brick in the big building that is Rotary. If our service forms the bricks, then there is no question that friendship is the mortar that holds those bricks together. I see this every day, but nowhere more clearly than at some of the most special Rotary club events: their centennial celebrations.

Being president of Rotary International in its 110th year, I've been lucky to take part in a number of these. It is natural, when visiting long-serving clubs, to want to know what their secret is – because I have always noticed that the longest-serving clubs are also some of the most productive. They are large, they are active, and they do great work. Not only that, but they have a great time doing it.

Of course, that is their secret: In Rotary, strong friendships and great service go hand in hand. When we enjoy our work, we want to do it. We want to work harder, and we want to work better. We look forward to Rotary meetings. Even when our lives are busy, we make Rotary a priority – because we want to see our friends, and we want to serve.

That is why Rotary is still here, after more than 109 years. In Chinese, we say:

**A life without a friend is a life without sun.**

Our Rotary friendships give light to our lives, and it is Rotary friendship – as well as service – that lets us Light Up Rotary.

# District 9820 News

District Governor: Charlie Speirs  
2014 - 15

From DG Charlie

The core of our Rotary organisation is our emphasis on vocational service and our ability to bring together a range of different vocations to share a meal, business acquaintance and discuss community issues. Quite often business and professional people become insular as they tend to work and socialize with members of their business or profession. However the Rotary experience provides a refreshing change and we find a mixture of professionals discussing their community and its issues with a range of experts at the table, Club or District that can assist in solving specific technical concerns raised in community projects.

Every Rotarian is a source of knowledge in relation to his or her occupation and brings that expertise and interest to Club discussions and as guest speakers. The professional expertise of a Club's members should be used to ensure the professional running of a Club.

Vocational service is an important method of taking Rotary to the Community. When Rotary recognises members of the Community for their service to their business or town, then Rotary is adding value to that Community and making it proud of its achievements leading to a better Community spirit and involvement. This month as we focus on our vocations I encourage Clubs to continue to seek opportunities to showcase Rotary in our recognition of individuals, groups and volunteers through Pride of Workmanship, Apprentice of the Year Awards and Community Service Awards.

On a similar note but with a younger demographic, this month I have been involved in a number of Rotary Junior Community Speech awards where Rotarians run a Public Speaking competition for Primary School students. I was amazed by the quality and poise of the young people (Grade 6) as they presented their stories on a topic of their choice. On show was good development in communication skills, good training in public speaking and development of self image and confidence that made me proud to be a Rotarian.

## 2014 AGM

Dear Rotarians,

As you are aware, District 9820's AGM will take place at Lecture Theatre, Berwick Campus, Monash University, Clyde Road, Berwick (Melway 111, B10) on 16th November 2014 at 9.30 am (preceding the Rotary Foundation seminar).

Attached are a number of documents:

1. District 9820 Agenda
2. District 9820 Minutes 2013
3. District 9820 AGM Credential Certificate (to be handed in at the time of registration).
4. District 9820 Inc. Audited Financial Statements for the year ended 30th June 2014
5. District 9820 Emergency Relief Trust Audited Financial Statements for the year ended 30th June 2014

While we do not have any Resolutions to put to the AGM it is important to your members to enable your accredited representative to vote at the AGM on acceptance of the audited financial statements etc.

If the president is unable to attend the AGM they can register a vote by appointing a representative to vote on their behalf by completing the attached Credentials Certificate. The person on the form, which has to be signed by the president and secretary, will be the person who casts the vote.

If you have any questions, or cannot open any of the documents, please contact me.

Regards, Ian

# Celebrate Rotary's Birthday.

On Sunday 15<sup>th</sup> February 2015, D.G. Charlie will be holding an event at the Pakenham Cultural Centre to celebrate the birthday of Rotary.

D.G. Charlie will send out details later but the purpose of this email is to request as many District Avenues of Service Programs and clubs to participate.

I would like you to supply any pull up banners you have to either promote your service or a club project you are involved in either locally or overseas.

Please let me know on [vicala@bigpond.com](mailto:vicala@bigpond.com) or 0418 355607 by Friday 6th December.

This is a great opportunity to promote your Avenue of Service Program or club project.

Let's not waste this opportunity.

Cheers.

Alan Collier.
