Message from the President

Hi everyone

The concept of vocational service

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster":

Second Object:

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an

Last meeting discussions

Apologies

Max, Jim, Mike, Kim, Doug, Malcolm, Eric.

This meeting saw the beginning of Vocational Month.

Mark - Vocational Director: - opened the meeting with a quote from Rotary on Vocation .Welcoming The famous Mr. Bowens aka George - Manager of our local Hastings Bowens who really opened our eyes to the amazing philanthropic nature of this iconic family business. With his stories of how he started at Bowens and how staff and management work to provide excellent service and also give back to the community. Always helping but in a quiet way they have supported most of the major projects in our area and of course Bowens being Victorian wide a huge amount of support is given state-wide. Each store has a \$5,000 discretionary fund that is spent supporting our community in a quiet way.

President-Faye: - spoke about the Memorial Bowls Function to honour Gordon Gray. The family and The Hastings Bowling fraternity are enthusiastic about a celebration of a great life. Faye has organised an evening which will include a bowling tournament and opportunity to barefoot bowl a bbq tea and a trophy of a meat raffle. Drinks at bar prices.

Mike Sheehan:- recent return from a holiday in England. While overseas he attended a Rotary club meeting in Bristol. He exchanged our club pennant and upon return spoke about his experience in attending the Bristol meeting. Incidentally the Bristol club has recently bestowed a Paul Harris Fellow to David Attenborough. Following a short talk, Mike presented the Bristol club pennant to Faye.

Secretary –Linda: - distributed mail which included letters from Peninsula Hospice, Anglicare Christmas catalogue and rotary health.

From the Floor

Derryk asked for members to support the fundraising effort with the parking at the Market
Paddy said he had come from a meeting Peninsula Community Contact about the shortfall for funding Christmas hampers. It has drop down to approximately 70 and the Salvation Army would not be supporting a Christmas lunch this year.

Jeff reminded the meeting about the Wallaroo Sausage sizzle on 29th October starting at 3.00 to 5,00pm

Bill and Jeff spoke about attending the Avenues of Service at Churchill and the opportunity of hearing what other clubs are doing. Bill felt that we were doing a good job in addressing needs in the schools area compared to other clubs in our district.

Get inspired during Vocational Service Month

During Vocational Service Month, Rotarians will be rolling up their sleeves, calling on their professional and personal networks, and using their unique skills to improve their communities. Looking for inspiration for your own club or district project? Check out these projects on Rotary

Showcase:

- In July, the Rotary Club of Lokhandwala Kandivali, Maharashtra, India, hosted a defensive driving program to help decrease the number of vehicle accidents and traffic violations. A total of 45 taxi and private drivers participated in the interactive training.
- The Rotary Club of Colombo, Western Province, Sri Lanka, carried out a joint project with its Rotary Community Corps and the Rotary Club of Chichester Priory, West Sussex, England, to implement an English teacher training program for 160 young teachers. The trainees are now leading basic English courses at 24 schools for two hours every week.
- Forty-five young adults were selected to participate in a policy and leadership development training workshop held by the Rotaract Club of Phulbari, Nepal. The workshop, facilitated by lawyers and young entrepreneurs, included training in both theoretical and practical approaches to building young people's influence on policy, particularly in relation to youth welfare.

District 9820 News

Shepparton

March 27th - 29th 2015

Dear Rotarian,

The conference committee and I are very excited to be developing the 57th District Conference on behalf of the District. The 2014 conference was a major success, from our viewpoint, and we are working to build on that success by presenting an equally attractive and interesting program at Shepparton.

We want as many of you to attend as possible on the Friday. To this end we have put in place an excellent winery tour, not just for golf partners but for all Rotarians [at least those who are quick to book a place]. Golf is also looking good to be an exceptional event.

We plan to kick off the formal proceedings in a relaxed and friendly atmosphere on the Friday night and expect this to continue throughout the weekend. Our goal is that the whole conference will keep you engaged through to the last moment on Sunday lunchtime.

To keep informed, please revisit these pages as the program develops in the coming weeks and months.

Please light up Rotary, join in and make this one of the best ever conferences.

Charlie Speirs, DG.

Rotary Oceania Medical Aid for Children

Exciting news for ROMAC and for District 9820! Due to an extremely generous donation by the Jared Dunscombe Fund, we currently have a young boy from a small, remote village in Timor-Leste at Monash Medical Centre, who had life-saving surgery on Monday afternoon. - See more at: <http://portal.clubrunner>.

MISSION STATEMENT

"To provide medical treatment for children from developing countries in the form of life saving and/or dignity restoring surgery not accessible to them in their home country."

ROMAC has been in operation for over 25 years. Rotarians volunteer their time and expertise to run this Rotary program that encompasses all the Districts of Australia and New Zealand. Assisted by many eminent Australian and New Zealand surgeons who generously donate their time free for the treatment of our patients, this humanitarian program has provided over 350 children from more than 20 developing countries with urgent medical treatment that has given them new hope.

Your support is welcomed and for each Cake your Club sells it receives a recommended \$2.20 for your selling effort and your own projects. On top of that your Club will be directly credited with \$2.00 as a donation to The Rotary Foundation in the Club's name.

The Program is administered by the Rotary Club of Melton Valley and all profits from the program are donated directly under licence with Rotary International to the Rotary Foundation on behalf of the purchasing Clubs. Over the past five years the program raised over \$130,000.00 for the important work of Foundation. Your support is most important to this continued success for The Rotary Foundation.
