Message from the President

Hi everyone

Thanks for those who attended last week, Greg Hunts presentation of his life to date was very interesting and he seems to have a keep busy attitude.

Tonight we are at the Hastings library, Secretary Linda is our host and I am sure the night will be very informative. We are also taking the opportunity to discuss the Rules and Bylaws, which need to be updated. Now is the time to bring up any concerns you may have, and they can be cleared up.

Please let Linda know of your attendance or apologies at secretary@rotaryhastings.org.au , as this will assist us with catering.

Next week we are at the Hastings Bowling club, this will be to honour Gordon Gray on the anniversary of his passing 12 months ago. Gordon was a Charter member of our club and in his time was a well respected member who was involved in many of our fundraising projects. Please feel free to bring along your partners and enjoy a bbq and a drink in his memory. The cost per head is \$10.00 and the drinks are at reasonable prices. Any one interested in having a go at bowls are very welcome and I am told there will be plenty of the Bowling club members willing to show an novices.

And again, please let Linda know of your attendance or apologies at secretary@rotaryhastings.org.au , as this will assist us with catering.

Take care and hope to see you Monday
President Faye

This meeting was the second week of Vocational Month.

Mark - Vocational Director: - opened the meeting with and further quote from Rotary on Vocation. Mark also spoke about the connection with Parliamentarians and Rotary clubs in Australia. One of the most interesting is that of Dick Abbott, Prime Minister Tony Abbott's father who was a guiding light in Tony's life and a long serving Rotarian. We as a club thank the Prime Minister and his Government for the \$100,000.000 pledge towards the ending of Polio.

President Faye: - Formally welcomed Tyrell, colleagues from Somerville – Tyabb Rotary Club and our guest speaker Greg Hunt Federal Member for Flinders, Minister for the Environment.

Greg Hunt: Greg was an excellent choice to speak on his vocation. He has had a very wide experience working not just in the parliament but also in instrumentalities in Europe. Even spending time on a Kibbutz and biking around Europe as a student. A very interesting and entertaining talk indeed.

President Chris Such, Somerville – Tyabb Spoke about his club and how they are organised and invited a closer opportunity to share fellowship and ideas. They are creating opportunities to attract new members and are starting a breakfast meeting on 22nd October.

Later Faye reminded all about the next Vocational Meeting to be held at the Library and also spoke about the Memorial Bowls Function to honour Gordon Gray on the week after the Library meeting. Faye has organised an evening which will include a bowling tournament and opportunity to barefoot bowl a bbq tea and a trophy of a meat raffle. Drinks at bar prices.

Paul Harris Society

What is a Paul Harris Fellow?

When \$US1000 is contributed to The Rotary Foundation, a request can be made for an individual to be recognised as a Paul Harris Fellow; that person can be a Rotarian or a member of the community who is not a Rotarian.

When a person is recognised as a Paul Harris Fellow, they are presented with a Certificate signed by the Rotary International President and the Chairman of the Trustees of The Rotary Foundation, and a lapel pin and medallion. The contribution to The Rotary Foundation can be made in one sum or by cumulative giving over a number of years. Individuals can make a personal contribution or the contribution can be from a club, a company or business.

Some of the misconceptions or misunderstanding surrounding a Paul Harris Fellow are:

There is no such thing as a Paul Harris Fellowship, and it is not an award; it is simply recognition. When a Club contributes \$US1000 to The Rotary Foundation, the Club sets its own criteria for naming a Paul Harris Fellow. Usually this is done to recognise an outstanding commitment to the Club or the community.

A personal contribution of \$US1000 and the subsequent recognition of a Paul Harris Fellow should be encouraged not criticised; it is a donation to The Rotary Foundation, Rotary's own charity and, therefore, every Rotarian's own charity.

Recognition as a Paul Harris Fellow was never intended to be an award and certainly is not Rotary International's highest award, although it is an honour to be named a Paul Harris Fellow.

Honorary Membership is the highest distinction that a Club may bestow on a Rotarian and should only be bestowed in exceptional cases for meritorious service in the furtherance of Rotary ideals and for support of the Rotary cause.

Club Presidents may also award one Avenues of Service Citation each year to a Club Rotarian. The highest award an individual Rotarian can receive is the Service Above Self Award; only a maximum of 150 are awarded each year by the Board of Rotary International.

Being named a Paul Harris Fellow is not unique. There are over one million Paul Harris Fellows worldwide.

Every Rotarian should strive to be a Paul Harris Fellow because for each PHF named, we know that US\$1000 has been given to The Rotary Foundation. Similarly, for each sapphire or ruby added to a Rotarian's PHF pin, an additional US\$1000 has been given to The Rotary Foundation. We should celebrate each of these milestones (and gem stones) for what they represent. That is, a gift to The Rotary Foundation and an opportunity to do even more good in the world through the Foundation.

Ebola hits Sierra Leone!

No doubt many of your Rotary Clubs have been looking for an effective way to make a difference in addressing the devastating ebola outbreak in West Africa. The Rotary Club of Turramurra in D9685 started a program in 2008 to open the first children's hospital in Bo — Sierra Leone's

second largest city. It opened two years ago and has been hugely successful in saving kids' lives.

But now, ebola has reached Bo so the risk to the people there, including the kids, is dire. What The Bo Children's Hospital needs, as a matter of extreme urgency, is an isolation ward. The space is there, it just needs to be fitted out. A few years ago, Turramurra created a separate foundation, The Bo Children's Hospital Foundation, so this is an ideal vehicle to channel donations to where they are required.

If Clubs in your district have been looking for a way to do something to address the outbreak, this is a proven project, one that is supported by both RAWCS and the Rotary Club of Bo. The infrastructure is already in place and if your Clubs would like to make contributions, they can be put to good use — not in months or years but right now, when it's so desperately needed.

If you have any questions on the Bo Hospital, please contact Rob Byrne, details are:

The Rotary Four Way Test Of the things we do....

1. Is it the truth?
2. Is it fair to all concerned
3. Will it build goodwill and better friendships
4. Will it be beneficial to all concerned

HAPPY CLAP
