Message from the President

Hi everyone

Thanks to those who attended the Social night at Bamboo cottage on Monday, the food was plentiful and very tasty.

We have a busy month, a few projects coming up.

On the 13th Greg Hunt is visiting our club and giving a talk on his time in politics, please feel free to ask your partners and perhaps any friends who may be interested in such a topic.

The car parking at the Emu plains market starts up again this month, third Saturday October 18th, please support Deryck with your assistance, this project brings in a good income to the club, so any commitment you can give is much appreciated.

On the 20th as previously advertised, we have our next discussion on the Statement of Rules, and the By Laws, we have already received some points of interest to discuss, so this will be your time to put forward your thoughts. This is the night we will be at the Library and Linda will be our Host, numbers will be required for catering.

We are manning the BBQ at the Wallaroo Primary School on October 27, members will be required during the hours of the Fun Day, between 2pm till 5pm, we could have 2 shifts, 2pm to 3.30pm and 3.30 to 5pm, any assist will be appreciated please let me know.

The Archibald Prize parking will start for our club at the end of the month and there will be information sent to those who have made themselves available so they are aware of their responsibilities and what is required of them.
Travel safe and hope to see you on Monday

October - Vocation Month

Next week: Voctaiou
Speakers: Mr Greg Hunt
Subject: Life in Politics
Chair:

Important Dates:
10th October - Hat Day

Last meeting discussions

Reminder:

Sunday 5th October 2014 Avenues of Service at Churchill

Rotary International President
2014-2015

PRESIDENTIAL MESSAGE

OCTOBER 2014

In October 1914, Jonas Salk was born – a man who would change world history by inventing the first effective vaccine against polio. When the vaccine was introduced in the United States in the 1950s, polls indicated that polio was one of the nation's two greatest fears, second only to the fear of atomic war. And with good reason: In the 1952 U.S. polio epidemic, 58,000 cases were reported, with 3,145 deaths and 21,269 instances of permanent, disabling paralysis. Globally, polio paralyzed or killed up to half a million people every year.

Soon after the Salk vaccine was created, Albert Sabin developed an oral version, allowing tremendous numbers of children to be immunized quickly, safely, and inexpensively. In 1985, Rotary's PolioPlus program was born, with a simple goal: to immunize every child under age five against this crippling disease. Thanks in large part to the initial success of PolioPlus, in 1988 the 166 member states of the World Health Assembly unanimously set the goal of global polio eradication.

At the time, the idea was breathtakingly ambitious, and many called it impossible. Today, we are closer to this goal than ever before, with only a few hundred cases of polio reported per year, and just three remaining endemic countries. We are on track to achieve full eradication by 2018 – if we can keep up the momentum that has brought us this far.

And this month, we will mark World Polio Day on 24 October, and celebrate the 100th anniversary of Dr. Salk's birth.

I ask you all to Light Up Rotary this month by doing whatever you can to shine a spotlight on our efforts to eradicate polio. Call your government officials and let them know that polio eradication matters to you. Go to endpolionow.org for inspiring stories about Rotary's work, and share them on social media. And make the best investment you'll ever make, by donating to polio eradication right on the endpolionow.org website and earning a two-to-one match on your contribution from the Bill & Melinda Gates Foundation.

When we eradicate polio – and we will – we'll have brought the world into a better future, and Rotary into a better future as well. We will have proved ourselves, as an organization, capable of great things. And we will have given our children and grandchildren a gift that will endure forever: a polio-free world.

District 9820 News

District Governor: Charlie Speirs

DG Charlie's Message September 2014

This month has seen a continuation of the Club visits and a fair bit of engagement with youth. Across the District we have a myriad of youth activities including scholarships, citizenship awards and youth development and encouragement programs. The Youth Exchange program has seen an increase in numbers of Clubs involved and therefore an increase in the number of young people going out and also coming into our clubs to enrich their cultural experience, international awareness and citizenship.

Janne and I have been to 3 Deb Balls ranging from the traditional, to a small Deb set in Rural Gippsland where a group of young people were given an opportunity that would not have been available if it were not for the RC of Lakes Entrance, and finally we were privileged to be present and receive a group of young and older people with disabilities at a Presentation Ball with a difference, arranged and wonderfully presented by Casey Rotary. The look of the faces of all Debs showed that there are many ways to light up someone's day, make their life more rewarding and in the process Light Up Rotary.

During the Month it was good to see some of our Clubs working with the Peninsula Rotaract club to get some things done and also to see the Rotaractors helping at the Youth Exchange camp at Forrest Edge.

The provisional Rotaract Club of Casey is continuing to meet and grow in numbers and is providing a focus in the Cardinia area for young people wishing to make a difference to their community. Other areas are also seeking to assist the development of Rotaract in our District and preparing the next generation of Rotarians for action. Remember our job is to hand Rotary onto the next generation to

continue the good work we do now, and the good work that was done by Rotarians in the past. I am sure there will be work to do in the next 100 plus years. The world needs Rotary.

Thankyou Rotarians and a big Thankyou to the Dunscombe

Family and the Jared Dunscombe Trust for funding Aze to come to Melbourne from Timor Leste with ROMAC for necessary heart surgery. What a blessing to see this little boy and his father arrive at Melbourne Airport and prepare for life changing surgery. It certainly put a glow in my heart to be part of such a wonderful organisation and mix with people who go out of their way to make these things possible.
