Message from the President

Hi all

Well the new year of 2015 is well underway, and New Year Resolutions have been made and hopefully not broken yet.

Last week we heard from Derryck about his last trip to the states and also from Eric who managed to tick off a Bucket List item, spending New Year's Eve on a boat in Sydney Harbour for the fireworks display, well done both of you.

The 2 twilight markets for January have been, first one on a TFB was unfortunate but we still managed some funds. The next market in February will need the usual support.

Mike gave an update on the Golf day in March, more golfers are needed for the event to take place. Any ideas on where some golfers might be, please let Mike know.

I hope the weather has been kind to you and see you on Monday.

President Faye

Welcome back

Presidential Message

JANUARY 2015

At the beginning of this Rotary year, I asked Rotarians everywhere to Light Up Rotary by holding a Rotary Day. How you do this is something I'm leaving up to you: It can be a full day or just a few hours. It can be organized by your club, by your district, or even across your entire country. It can be a service project, a festival, or any kind of event you want. As long as it's open to the community, embraces the whole family of Rotary, and is fun, it's a Rotary Day.

The goal of a Rotary Day is to shine a light on Rotary. For many years, we in Rotary felt that it wasn't appropriate to boast about our good work. We felt it was best to serve quietly and let our work speak for itself. But today, in many communities, people aren't even aware that they have a local Rotary club. Not because the clubs aren't strong, or because they aren't serving well. They are. But if Rotarians don't talk about their work, people will never know about it.

It is time for us to Light Up Rotary and let people know what we are doing. In the first half of this Rotary year, I've been thrilled to see how many Rotarians have taken up my Rotary Day challenge. I've attended Rotary Days in so many places, including the Philippines, Korea, China, the United States, Turkey, India, Taiwan, Sri Lanka, and Bangladesh. Every one has been different, and every one has met the challenge to Light Up Rotary in its own way.

If you've organized a Rotary Day in your community, tell us about it: Email details and photos of your event to rotarian@rotary.org, with "Rotary Day" as your subject line. We'll do our best to feature as many Rotary Days as possible in the coming months.

And if you haven't planned a Rotary Day yet, why not? It's a great way to share your love for Rotary with your community. When we tell others about Rotary and let them know how membership can enrich their lives, we share a gift that was given to us when we were invited to join our clubs. By passing that gift on, we help ensure that Rotary, and its service, will endure for generations to come.

The Rotary Four Way Test Of the things we do....

1. Is it the truth?
2. Is it fair to all concerned
3. Will it build goodwill and better friendships
4. Will it be beneficial to all concerned
