Hi all

This week we have the Golf day on Wed the 11th March, it is important that we support Mike it making sure that this day runs smoothly, please give what support you can.

The Mock interviews are next week, please help if you can and contact Bill if you are able to donate some of your time on Wed and Thurs.

Once that has been completed Bill will be getting the Bowel Scan program up and running, if there is anyone with some spare time to give him some assistance, I am sure he will appreciate it. This is a valuable community project.

The Red Sheild appeal is looming soon so we need to know what commitment we have from our members to support the Salvos in their important work.'

Mark and Linda attended the PETS weekend and I look forward to hearing how it all went.

We heartily congratulate Don Ripper as being the successful candidate for the Role of District Governor in 2017 – 2018.

Apologies to secretary@rotaryhastings.org.au

# Rotary leadership Institute

## The Rotary Leadership Institute

is a multi-district, grass-roots leadership development program of member districts organized into regional divisions in various parts of the world.

Rotary Leadership Institute is not an official program of Rotary International and is not under its control.

Rotary Leadership Institute seeks to have Rotary Clubs in its member districts identify those Rotarians who appear to have the potential for future club leadership (not necessarily as club presidents) and provide those so identified with a quality education in Rotary knowledge and leadership skills so important in voluntary organizations.

While at Multi Districts President Elect Training a session was held on learning leadership skills that will not only help in Rotary but also in day to day life.

## *A Message from Merv Williams (district governor elect)*

The Rotary Leadership Institute program is designed for those members identified within the club as current and future leaders. I am sure that each club has leaders worthy to be given an opportunity to learn about Rotary.

Mark, I invite you to liaise with your current President to –

- Identify at least two (2) members within your club who would benefit from attending Rotary Leadership Institute,
- Ask the potential applicant/s of their interest and availability in attending
- Then nominate them to attend one of the two locations using the attached registration form.

Apart from the learning impact on the club member there is opportunity for the continued growth of the club through enthusiastic membership.

# Mock Interviews Western Port Secondary College Happening in March

**This is an audition for your career.  
Make sure you know your lines.**

Our Year Panel Mock Job Interviews are fast approaching for our year 10 cohort, we will be hosting our interviews on:-

Wednesday, 18th March 8.40am arrival for an 8.50am start until 12.10pm - (morning tea will be held from 10.50 to 11.10am).

Thursday, 19th March – 8.40am arrival for an 8.50am start until 11:10pm - (morning tea will be held from 10.50 to 11.10am).

The students will be researching a position for their work experience placement and this will be the focus of the application letter and discussions.

We have 110 students to interview and we would like to allocate 20 minutes per student to make the interview a valuable experience.

Once again we value the ongoing support of the Hastings Rotarians and look forward to hearing from you with regards to volunteers dates and times.

2014 - 15

## Volunteers wanted for Timor Leste Project

Volunteers are wanted to work for two weeks on a Community Training Centre on Atauro Island, a project of RC Frankston Sunrise and RC Bright

Spend two weeks on the beach at 'Barry's place' and help the community! Remember, East Timor is our nearest neighbour. The project is RAWCS registered.

Contributions to Project costs are being sought! We still need ca \$15,000 to complete all components of the project (including Maubisse) (for further details please contact Chris Angerer 9770 0611 )

The project at Atabae has been successfully completed.

The next component of the project is on Atauro Island. It consists of extending a current simple house to a community centre, fixing existing structure, adding veranda and roof, toilets and washing facilities. We are looking at

- end of April/early May: prep team to go over and set up.
- 3 teams subsequently ca 13th to 27th May, ca 27th May to 10th June and ca 10 to 24th June. Your members can join a team or you can form a team for one of these dates
- Teams will go for about two weeks, team size 5 to 10 volunteers, 1 tradie per team. There will be locals employed, to help with the work, as this encourages community participation as well as training the locals.
- Accommodation at 'Barry's Place' ca \$40 per day including meals
- Flights to be booked centrally to coordinate teams and help with logistics (ca \$1300)

Subsequent to this job the extension of a Kindergarten in Maubisse is the final component of this project.

# Oncology Care

St John of God Berwick Hospital is grateful to Berwick Rotary for their ongoing support and fundraising.

Funds donated from the 2015 Gala Ball will be gratefully used towards providing the very best care and facilities to patients of our new Day Oncology Centre.

To all who attend this event, supporting our Day Oncology Centre and patients,

*thank you.*
