Hi there,

Last week we heard from Geoff Stockton from the Seafarers Mission, and the work the volunteers do for the workers on the ships that come in to our local ports. His presentation was both informative and interesting.

This week I will again have the roster sheets for the Red Shield Appeal, if you can fill in some of the vacant spots, this will be greatly appreciated.

Last week I attended the seminar on Membership in Trafalgar, it was interesting to hear members from other clubs ideas on the best ways to bring in and maintain a good membership. Rotary is changing, and to attract younger members the more modern electronic approach was talked about

Well I hope the weather has been kind to you and see you on Monday.

Cheers

President Faye

TELLING OUR STORY

Our identity is more than our logo and colors. It is the essence of who we are and what we do. The Strengthening Rotary initiative helps us tell that story in a compelling way. By providing a clear and consistent image of what Rotary stands for and how we differ from other charitable organizations, we offer prospective members, donors, and other stakeholders a compelling reason to engage with us.

Research conducted among Rotary members worldwide revealed insights about who we are

Rotary members are responsible leaders, both socially and ethically. We define leadership by mindset and approach, not labels or titles.

Connecting with each other and our communities will always be the driving force behind Rotary. Rotary affects local communities on a global scale to create lasting change.

We found our voice:

- Smart — we are insightful and discerning
- Compassionate — we tackle community challenges with empathy and understanding
- Persevering — we find lasting solutions to systemic problems
- Inspiring — we encourage others to take action, conveying hope, enthusiasm, and passion

We defined three core ideas to help you describe Rotary to a new audience:

Rotary joins leaders from all continents, cultures, and occupations. Rotary exchanges ideas, bringing our expertise and diverse perspectives to help solve some of the world's toughest problems. Rotary takes action to bring lasting change to communities around the world.

Our story hasn't changed. But how we share it with the world is vital to our future. Through a unified Rotary look and clear and compelling voice, we are enhancing our legacy as one of the most widely recognized and respected organizations in the world.

GSE TEAM IN TURKEY

The team has had a great start to their Exchange in turkey, including both the International Peace Conference in Istanbul and a dawn service on ANZAC Day with other Australian Rotary groups and Turkish hosts. They have caught up with the Turkish team and their presentations are being well received – although their first presentation was through an interpreter! Some photos below show the team at ANZAC Cove during their three days of relaxation in and around Istanbul prior to starting their Exchange, breakfast at Nilay's apartment, with their hosts at a drinking fountain which was a project of the RC of Bolu, dawn breaking on ANZAC Day as they shared a dawn memorial 'at Gelibolu (Gallipoli) beach the opposite side of the Gallipoli peninsula to Anzac Cove, there were about 3000 in attendance, the majority Aussies, we were with a group of 60 - 40 from RFE (Rotary Friendship Exchange), 4 NGSE (New Generation Service Exchange) from Tassie and 7 Youth Exchange Australian and New Zealanders and our team.' The Rotary Four Way Test Of the things we do....

1. Is it the truth?
