Message from the President

Hi everyone

When we last met, our speaker was Nicki Fammintino the current principal of Wallaroo Primary School, she was very inspiring and has instigated some very good new ideas which seem to be working well already. I hope they continue to work and bring the school back to a positive environment of learning for the young pupils.

There is a bbq this Thursday for those being enrolled for next year, Jeff is looking for volunteers to cook, please let him know if able to help.

This week we have a speaker from the Hastings Cancer Support group, Sue Phillips. This is an important service that supports those with cancer in our local area. This should be interesting and we will be donating some funds to them after she speaks.

Votes for the Rotarian of the Year will continue this week, Malcolm was the winner last year and so is ineligible this year.

The Changeover is fast approaching, please let Mark know if able to attend, I hope you have all had a nice long weekend and will see you on Monday night.

President Faye

Important Dates:

Change over 4th July 2015
Cape Schanck

Happy clap everyone

Gary C.K. HUANG
Rotary International President
2014-2015

Bill Gates congratulates Rotary members on reaching the 30th anniversary of the PolioPlus program in a video shown during Rotary's convention in São Paulo. "Thanks to Rotarians' vision in 1985 of a polio-free world and your unwavering commitment and determination, we've made incredible progress. The world has never been in a better position to eradicate polio," Gates said. Photo Credit: Rotary International/Monika Lozinska

Geetha Jayaram, psychiatrist and associate professor at the Johns Hopkins School of Medicine (center), is presented the 2014-15 Global Alumni Service to Humanity Award by RI President Gary C.K. Huang (left) and Rotary Foundation Trustee Chair John Kenny. Jayaram has dedicated her life to helping people in her native India overcome mental illnesses.

The color and excitement of a real Brazilian carnival party comes to the 2015 Rotary Convention. The Samba School joined the Rotary Carnival, which included floats, 200 percussionists, and samba dancers in feathered-wings.

Youth Exchange students have fun during a break at the Youth Exchange Officers Pre-convention, 4 June.

District 9820 News

District Governor: Charlie Speirs
2014 - 15

May is time to promote the International Convention in Sao Paulo and so if you are not enrolled yet, you had better get moving. However, for those enrolled and planning travel imminently we wish you a safe and inspirational journey as you meet fellow Rotarians, share experiences and are inspired by speakers as you continue to Light Up Rotary. While the Convention celebrates Rotary, many of us continue to deliver Rotary Programs that have been in the planning stage for some months now. Programs such as the YEP completing the annual Rock to reef expedition, MUNA weekend, the GSE team's return and 'Shine On' have all kept a variety of people busy! Phew! Then we have RYPEN coming up on the last weekend of May! These events have kept many diaries committed over the past month as Rotarians involved have given their time and service to bring the programs to fruition. These activities are closely followed by the Club and District Changeovers (Pakenham - Cardinia Cultural Centre - on the 28th June) that are creeping into our diaries as we head into another Rotary year. The transition of the Leadership of Rotary is important to do as seamlessly as possible as we complete programs and start implementing next year's plans. Regardless of the leadership change, our challenge is to maintain the Rotary presence in our community both Locally and at an International level.

At this time we will also be focused on the dispersement of the funds we have raised and I ask all Rotarians to keep in mind the Rotary Foundation and The End Polio areas of Rotary service to make sure we support these as well as our planned Club Projects. As I look around I feel we have had a good year and supporting these International Funds will ensure we have future funds to continue to do great work in our Communities and Support Rotary International in its work in the our larger World Community. As mentioned above, the District had a busy weekend with the MUNA program being run at Forrest Edge with 28 teams from around the District representing their allocated countries in debates on Internationally relevant topics. It was great to see the costuming and the level of research that had been put into the weekend by the Students and also great that the prizes were shared around as well. In parallel with this activity we also had the Southern Region 'Shine On' Awards Ceremony at Maryborough which saw 15 individuals with a disability being recognized for their outstanding contributions to their community as they volunteered to make a difference. It was touching to see the smiles as each participant was awarded for their efforts despite their disability. -

How very exciting!

**Inner Wheel Australia's very own rose
developed by
TRELOAR ROSES**

**"Gift of Friendship" is the perfect name for this
rose and represents the best of Inner Wheel.**

**A floribunda rose, it has healthy growth with
stunning fresh fruity colour**

**Everyone loves a rose - a terrific gift for all
occasions.**

**For every rose sold, Treloar Roses is donating \$1 to
Cord Blood Research**

The Rotary Four Way Test Of the things we do....

1. Is it the truth?
2. Is it fair to all concerned
3. Will it build goodwill and better friendships
4. Will it be beneficial to all concerned

Rotary Grace

For Good Food, Good Fellowship,
and the opportunity to serve
through Rotary. We give
thanks.

Amen

HAPPY CLAP
