Message from the President

Hi everyone

When we last met, we had a club night with members filling us in on what we have been doing this year.

Our activities for funds have done well, Derryck keeps in contact with the Emu Plains market management, Malcolm and Paddy have continued to keep the Hastings market up and running. Bill has finalized the Bowel Scan and the last of the funds for the Golf day are being chased up. Jenny has some new ideas for International projects and our treasurer has managed our accounts and they are quite healthy. There were many community groups supported this year and we have received some lovely feedback.

Our speaker this week is David Garnock, the member for Cerberus ward. He will be filling us in what the shire has been doing this last financial year. I have extended an invitation for you to bring your partners along, I hope some of them can attend.

This will be our last meeting before the changeover on the 4 July, I am sure Mark has planned a great day for us.

I hope you have had a good week and see you on Monday

President Faye

Important Dates:

Change over 4th July 2015
Cape Schanck

Happy clap everyone

ROSNF! = Rotarians on Social Networks Fellowship

The Rotarians on Social Networks Fellowship (ROSNF) promotes the safe and effective use of social networking to promote Rotary fellowship and service.

Our mission is to promote Rotary fellowship, service and public relations utilizing all the tools available on social networks.

Social networking is invaluable for building and reinforcing Rotary friendships, with the ability to share snapshots of your personal life in a non-intrusive way that enable you to find more in common with other Rotarians, Rotaractors, Interactors and Rotary alumni. It also provides a free, easy and effective way to share your Rotary story with the wider world.

ROSNF is not just a website – what sets us apart from other computer-based fellowships and Rotary-related groups and pages is that we provide comprehensive education and practical training and support about social networking, for all levels of experience:

Don't know what social networking is, or why you should try it out? Let us allay your fears and misconceptions. Our members regularly present talks and seminars at club and district meetings, as well as at the RI Convention and International Institute. We are recognised by RI as the social media experts!

If you share our love of social media, or would like assistance with Facebook, LinkedIn, Twitter, blogging, and other social networks and Web 2.0 sites, please join us! Membership is free for all Rotarians, spouses and Rotaractors in good standing.

The Rotary Four Way Test Of the things we do....

1. Is it the truth?
2. Is it fair to all concerned
3. Will it build goodwill and better friendships
4. Will it be beneficial to all concerned
